_____*Brick*	_____*Brick*	_____*Wood (shingle/shake)*
_____*Stone*	_____*Stone*	_____*Metal*
_____*Other (specify)*	_____*Other (specify)*	_____*Other (specify)*
_____	_____	_____

Alterations:
_____*Altered*
_____*Unaltered*

Narrative Description:
The narrative should document the evolution of the property, describing major changes since its construction or period of significance. Enclose a current 8" x 10" color photograph, as well as any copies of historic images of/associated with the property or its previous owners that are available to you.

Use the following three sections as the basis for writing the description. Please add pages as necessary.

A. Describe the property and its physical characteristics, addressing location, setting, type, style, method of construction, size and significant features.
B. Describe the current condition of the property and indicate the property's historical integrity in terms of location, design, setting, workmanship and association.
C. Include information from oral histories associated with the property that you have heard or read, documenting these sources.
