Construction to begin on Naper Settlement's Porter Avenue parking lot

Naperville, Ill. — Naper Settlement's free visitor parking lot, located at the southwest corner of Porter Avenue and Webster Street, will be under construction Monday through Friday beginning Friday, May 28. In partnership with Naperville Community School District 203, part of the improvements will support stormwater management on both the high school and museum sites. The parking lot should be available on the weekends.

Due to the construction during the week, visitors and Naper Settlement volunteers are encouraged to park in the upper level of the Municipal Center parking lot to the north of Naper Settlement or on the west side of Webster Street. Accessible parking is available in Century Memorial Chapel's parking lot, located just west of the Pre-Emption House Visitor Center, on the museum grounds.

For more parking options in downtown Naperville that are within walking distance of the museum, please visit http://www.naperville.il.us/downtownparking.aspx.
