

# NAPER SETTLEMENT

## Matching Gift Program

Maximize your impact! Any gifts made to the Naperville Heritage Society within the last year could qualify for a matching gift. Many companies will double, or even triple, the value of donations made by their employees. You are recognized for the combined value of your personal gift and the corporate match.

Contact your Human Resources Department today and see if you can take advantage of your employer's philanthropy. For questions and more information, please contact Juliana Nelligan, Director of Development, at [nelliganj@naperville.il.us](mailto:nelliganj@naperville.il.us) or 630-305-5253.
